Double Hook

CORBY

ABOUT THIS PRODUCT

The Harrogate Double Hook offers two points of hanging from a single wall fixture, ideal for robes, towels, or garments in guestrooms and bathrooms where space is at a premium. The twin-hook design means guests aren't left choosing between the dressing gown and the hand towel. Crafted from 304 stainless steel with a warm brushed brass finish, it mounts securely with concealed fixings that keep the profile clean and seamless. A durable, easy-care piece that quietly earns its place on any wall.
